Dear Norman,

**ISLES OF SCILLY FERRY LINK**

The Department has kindly contacted me in respect of a Freedom of Information request regarding exchanges of correspondence, etc, re the above.

I am pleased that people are taking a close interest in this matter because, as you know, I am anxious that we find ways of resurrecting this project as it is essential for my constituents on the Isles of Scilly and in Penzance.

I would be grateful if you would convey to them (or incorporate this letter in the bundle) that if they are well intentioned, they will no doubt wish to contact me and perhaps may wish to put their energies into helping to find a solution to what has already proven to be a challenging problem.

With good wishes.

Yours sincerely,
